NOV LARSLEY F. SALVADOR
WEB DEVELOPER | CIVIL ENGINEER

< SUMMARY >

I am a very driven and eager person to take on new tasks and challenges. Have strong work ethic, flexibility, and exceptional interpersonal skills. Adept at picking up new abilities fast and functioning efficiently without supervision. Ambitious, career-focused job seeker prepared to start a new career as an entry-level web developer and help the organisation reach its objectives.

< WORK EXPERIENCE >

J.F.E Techno Manila, Inc. ⇒ Civil Engineer ⇒ June 2023 - August 2023

First job after passing CE board exam. Exposed to mainly to bridge engineering. My tasks includes checking of the dimension, coordinates, forces, etc. I also have the chance to show my computer skills using Power Automate to create automated forms and scheduled reminders for our projects.
